1. Videos recorded to the mobile app are 10 seconds clips in Full HD 1080p. 2. Live Streaming Add-ons are added per account and can be shared between multiple V300 cameras over a 12-month period. A camera with an active plan is required. Add-ons are valid for 365 days after purchase date. Live streaming shown in High quality, the viewing time is reduced when live view is set to Max quality (40 min in High quality equals 10 min in Max quality). 3. Two minutes of live streaming are included during the 7-day free trial period. 4. ELITE monthly add-on expires at the end of each monthly consumption period. For example, if your photo alert consumption resets every 5th of the month, your add-on will be valid until the 4th of the month. Visit vosker.com for more details on our security plans. Prices are subject to change without notice.
