

Follow the Leader

Get more with Wiremold®
Nonmetallic Raceways.

Whether it's low voltage or power applications, a latching or two-piece design, Wiremold Nonmetallic Raceways deliver.

With a broad range of small, low profile raceways to satisfy your customer's unique needs. As well as your own.

Wiremold Nonmetallic Raceways are a perfect choice for classroom, workstation and hotel applications or anywhere you need a drop.

Exceptionally durable and versatile, you can expect quick and easy installation, thanks to adhesive backing, 8' lengths and pre-drilled mounting holes.

Uniduct® Latching Raceway is your choice for low voltage applications.

Eclipse® Series Latching Raceway is your choice for power applications.

400, 800, 2300 Series™ Raceway, a two-piece design, is also your choice for power applications.

SEE WHY OUR SMALL RACEWAYS
ARE A PERFECT FIT. WHEN WHAT
YOU WANT IS A BIG CHOICE.

The choice is yours.
