

# ARLO GO MOBILE HD VIDEO CAMERA

## TELGUARD

Arlo Go cameras integrate with HomeControl Flex along with other Arlo Cameras.

### RESIDENTIAL AND COMMERCIAL PRODUCT FEATURES

- Certified for use on AT&T LTE network.
- Telguard's industry renowned customer support.
- 100% Wire-free, eliminating power cords and wiring hassles.
- Optional power supply connection.
- Delivers HD quality (720p) live video.
- 2-way voice capability.
- SD card slot for local recording and backup.
- Weatherproof (IP65), allowing outdoor use.
- Night vision of up to 25 feet.

The Arlo Go Video System is the world's first and only LTE, 100% wire-free, weatherproof, mobile HD security camera. It is ideal for RVs, boats, vacation homes or anywhere with Telguard LTE coverage. This low-maintenance and user-friendly LTE video system can be used as a stand-alone video system, and can easily integrate with HomeControl Flex™, Telguard's interactive solution.

#### Mobile Video Solution

The Arlo Go Video System gives dealers a way to offer their customers 100% wire-free video monitoring solution in areas with limited or no Wi-Fi access. Low maintenance, user-friendly, and easy to install, the Arlo Go mobile HD security camera gives users the ability to make adjustments themselves, including relocating the camera and replacing batteries.

#### HomeControl Flex Integration

Integrate the Arlo Go Video System with HomeControl Flex. Telguard's HomeControl Flex interactive solution allows you to integrate the Arlo Go Video System with your customers' professionally monitored security systems. With HomeControl Flex and an Arlo Go Wire-free HD Camera, enable remote viewing of event-triggered clips, images and live video from anywhere, on a smartphone, computer or tablet.

#### Telguard Support

Telguard offers all their Dealers and Installers industry renowned customer support, ensuring all installations and activations are quick and easy. As the thought leader in the industry, Telguard has proven their drive to embrace the integration of consumer lifestyle products with professionally installed security systems.
