CV370

Compact POV Camera
NDI®HX3 & HDMI

CS/C MOUNT LENS SOLD SEPARATELY

The Marshall CV370 compact network streaming POV camera is built around a Sony HD sensor with over 2.2 million pixels behind a CS/C lens mount suitable for longer shots. The compact CV370 delivers exceptional 10 bit 4:2:2 HD video performance via HDMI and ethernet IP interface supporting the ultra-efficient NDIHX3, SRT, HEVC codecs from a durable aluminum alloy build with rear I/O protection wings. The HD Sony sensor offers clear and rich color accurate video with improved low light sensitivity, refined remote adjust capability and flexible interchangeable CS lenses.
