

Arlo Pro 2 Wire-Free HD Camera Security System

Every Angle Covered™

Arlo Pro 2 is the most powerful and easy to use wire-free security camera ever thanks to its 1080p video, wire-free simplicity and the option to plug it into a power outlet whenever needed, all in a small weather-resistant design. Arlo makes it easy to keep an eye on your home, inside and out, rain or shine and puts you in control of your smart home security.

Wire-Free or Plugged In

From kids and pets to an empty home or after-hours business, you've got a lot to keep safe. Arlo Pro 2 covers every angle of your life with wire-free cameras that use lithium-ion rechargeable batteries. When needed Arlo Pro 2 can be plugged in for continuous recording to help you stay protected around the clock.

Security Made Simple

Arlo Pro 2 comes with 7 days of free cloud recordings without a contract or a monthly fee, motion and sound activated alerts that are sent straight to your smartphone, and a 100-decibel smart siren that can be sounded using the Arlo app. Arlo covers every angle to help keep your home safe and secure.

Pet Monitoring

See what happens when you're away and take whatever steps are needed to keep pets (and neighbors) smiling. Using pet sitters? Not a problem—make sure those caring for your pets are earning their keep and being nice to your furred and feathered friends.
