

First Alert Outdoor Camera

Proactive security that you and your customers want

CAMWE-WO

The First Alert VX3 Outdoor camera offers advanced event detection – distinguishing between people, packages, vehicles and animals. Your customers will say goodbye to false alarms and hello to notifications that matter most to them.

Beyond elevating security for your customers, subscription-based video storage plans give you the opportunity to expand avenues for RMR growth for your business. The camera integrates with our PROA7PLUS ProSeries panel offering on screen video streaming.

FOCUS on the customer

- Timely notifications ensure customers are always in the know – advanced intelligence detects people, animals, vehicles, and even packages
- Anytime, anywhere access with Total Connect 2.0 App for customers – easy to view live and recorded video
- Stylish and compact design – blends in with home exteriors
- Day or night, color or IR Vision – whether it's a bright sunny day, or a pitch-black night, your customers will always have a clear view

FOCUS on your business

- Flexible installation options – include dual-power and dual-connectivity with dual-band Wi-Fi and PoE, and Ethernet and AC power
- Optional backbox accessory available for stowing cables out of the way
- Integration with ProSeries PROA7PLUS security panel – opportunity to increase sales at every installation
- Subscription-based video storage plans for a variety of applications, large or small – opportunity to deepen your RMR stream
