

**On-Q**  
**20-in Plastic Enclosure with Trim and Hinged Door**  
Part No. ENP2050NA

Constructed with a robust, wireless transparent ABS plastic material, this lightweight, low-profile enclosure is designed to integrate wireless devices into traditional structured wiring installations. The enclosure mounts easily for both surface and recessed applications, and the hinged door is equipped with extra venting along the vertical plane for superior heat dissipation.

## Features & Benefits

Made with ABS plastic, the enclosure is designed to integrate wireless devices without interference

Universal mounting grid maximizes compatibility with 3rd party products without additional brackets.

Staggered mounting tabs allow multiple enclosures to mount in adjacent stud bays.

Lockable with provided screws

Hinged door covers drywall hole for clean finish

Cover adds 1.2" of depth for cable headroom and 3rd party device compatibility.

Extra venting along the vertical plane of the door allows for superior heat dissipation.

Cover is reversible with metal hinge that can attach to left or right side of enclosure.

Tapered design allows enclosures and covers to stack for efficient transportation and warehousing

UL listed.

## Specifications

### General Info

Product Line	On-Q	Color	White
UPC Number	804428433859	Country Of Origin	United States
Package Quantity	1	Type	Enclosure

### Dimensions

Product Width US	17.48 in	Product Depth US	4.17 in
Product Height US	20.8 in
