**Device Configuration**

**Adding your device to a Z-Wave network**

Once the hub is ready to add your smart switch, press up or down on the smart toggle switch to add it in the network.

**To remove and reset the device**

Once the controller is ready to remove your device, press up or down on the smart toggle switch to remove it from the network.

**S2 + SmartStart install**

The controller's app will indicate if it has discovered the sensor. If prompted by the controller to enter the S2 security code, refer to the QR code/security number on the back of the box, or the QR code label on the product. Enter the 5-digit code.

**To return to factory defaults**

Quickly press up on the toggle 3 times, then press the down on the toggle 3 times.
