RESIDENTIAL ACCESS SOLUTIONS

Kwikset

HOW DOES INCORPORATING ACCESS CONTROL HELP YOU?

✓ **Increase RMR**

✓ **Increase system usage**

✓ **Increase customer retention**
✓ **Provide the total security solution**

Incorporating connected locksets into your customers' total security solution will provide otherwise unseen benefits. Whether interested in safety and security, remote access control or everyday convenience, Kwikset provides the products that give your customers the solutions they are looking for.

Innovative Security

• Full 128-Bit Encryption Security

• Motorized Deadbolt – enables true remote locking and unlocking

• SmartKey Security™

Easy Integration

• **Z-WAVE PLUS** Wireless Protocol

• Replaces Existing Deadbolt with just a screwdriver

• 4 AA Batteries (no hard wiring) – batteries last for approximately 1 year

Z-WAVE ALLIANCE® Kwikset is a member of the Z-Wave Alliance
