SiX™ Two-Way Wireless Keypad

Optimized for the Honeywell Lyric™ Controller and Lyric Gateway, the SiX Two-Way Wireless Keypad enables easy, on-premises security system control for the ultimate convenience and flexibility. Sleek and stylish, it blends with any décor and can be mounted on the wall or placed on tabletops, nightstands or virtually anywhere in the home.
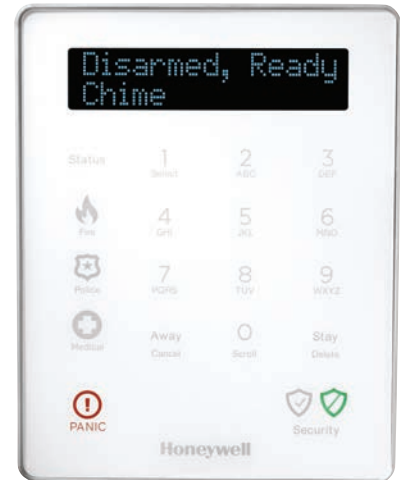

Easier to Install

The small size makes the SiX Two-Way Wireless Keypad ideal for mounting in tight, hard-to-fit spaces. Installation is simple with the wall mount or optional desk mount kit.

Easier to Sell

Your customers can quickly arm and disarm their systems from any location within the home—a great option that adds value to any sale.

Users can conveniently listen to system status and see updates at a glance.
