

Product Overview:

Due to supply chain slowdowns, the appearance of the LA-901 may vary. Thank you for your understanding.

Listen Disinfecting Wipes offer a fast, easy, and convenient way to clean and disinfect numerous Listen Technologies products, including ear speakers, earbuds, stethoscopes, and more.

Each lint-free wipe is highly absorbent and has a water-based cleaning agent pre-applied. The formula is safe for use on plastics, laminates, metals, Plexiglass screens, and rubber surfaces.

Our wipes come in a package of 75 and are lab tested to quickly and effectively disinfect all approved surfaces.

Highlights:

- Water-based cleaning solution safe for virtually all surfaces
- Lab-tested to disinfect quickly and effectively
- Alcohol-free formula
- 75 wipes in each package
