

Proximity credentials

Overview

Schlage® proximity credentials provide a convenient access control solution for facilities with less demanding security needs. Schlage proximity credentials are compatible with most industry-leading proximity readers, allowing them to easily integrate with new and existing proximity access control systems. From highly durable clamshell-style cards to the standard ISO style cards, keyfobs or PVC adhesive discs, Schlage offers a variety of credential formats to support a broad range of access control applications.

Features and benefits

- 125 kHz proximity technology available in multiple form factors
- Easily integrates into existing proximity systems
- CardTrax™ account tracking program helps keep track of card numbers at no additional cost
- Lifetime warranty against manufacturer's defects
- Custom artwork and laser engraving available
- Available in ISO style cards and can include a magnetic stripe.
- Available in multiple memory capacities
