

## POWERWISE™ FIBER

### Introducing PowerWise™

Featuring UL **sunlight resistance** and **wet location** listings for the Indoor/Outdoor versions, PowerWise Fiber cable delivers **more power** to digital premises applications over **greater distances** than standard PoE cables can supply.\*

## ENDURALITE I/O LOOSE TUBE

Robust, **weather** and **sunlight resistant**, EnduraLite® Indoor/Outdoor loose tube fiber cables are designed for applications that require **transition of optical fiber** between indoor and outdoor environments.\*

## MICROARRAY LOOSE TUBE

**High performance** in a **small package**, these **microarray breakout cables** are ideal for data center applications where small form factor is critical.\*

## PREMISES & I/O TIGHT BUFFER

Designed with **flexibility** and **utility** in mind, these durable cables can run through an enterprise space or span between premises environments.\*

\*Interlock Armored versions available
