

The background of the entire page is a photograph of four business professionals in a meeting. Three women and one man are gathered around a table, looking at documents and smiling. The man on the right is holding a document with a bar chart. The woman in the center is pointing at a document. The woman on the left is looking up and smiling. The man on the right is wearing a suit and glasses. The woman in the center is wearing a light blue shirt and glasses. The woman on the left is wearing a beige blazer. The background is a modern office with large windows and wood paneling.

# Room Types

## Huddle Room

A huddle room is a small and private meeting area seating **1-4 people**. Depending on its size and needs, an organization may have several huddle rooms.

CAM130, VB130, VB342 Pro, FONE540

## Small Conference

Small sized collaboration spaces are larger than huddle spaces and can accommodate **4-7 people**. These are corner offices, study spaces, meeting rooms or larger home offices.

CAM130, VB130, VB342 Pro, FONE540

## Medium Conference

Medium sized conference rooms are your standard conference room size built to accommodate **7-12 people**. This is your typical executive conference room.

CAM520 Pro2, CAM550, CAM570, VC520 Pro2, VB342 Pro, FONE540

## Large Conference

Large conference rooms are equipped with teleconferencing and collaboration technologies. They can accommodate **12-20 people**. Most offices only have one of these spaces. This is the space where meetings including all employees happen.
