

Arlo Ultra / Ultra 2 Spotlight Camera 4K UHD Wire-Free Security

Ultimate Protection

Arlo Ultra delivers ultimate peace of mind with advanced wire-free 4K video, premium 2-way audio, color night vision, and enhanced range. Easy to install, the camera displays an ultra-wide view with enhanced color night vision. The integrated spotlight lights up the night or helps to ward off unwanted visitors. Advanced noise cancelling technology also minimizes background noise for crystal clear, two-way conversations. Arlo Ultra also includes a trial of Arlo Smart so you can view live video or recorded clips directly from your phone.*

4K & HDR

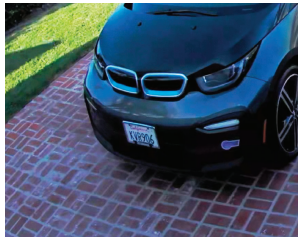

Arlo Ultra offers 4K resolution with HDR. See a crystal-clear picture in every detail through the new high performance lenses. Zoom in on images without losing clarity.

Color Night Vision & Integrated Spotlight

See what's lurking with color night vision allowing you to see video in color rather than traditional black and white. The integrated spotlight lights up the night or helps to ward off unwanted visitors.

180 Degree View

Arlo Ultra offers you a full 180 degree image. See an ultra-wide view with auto image correction that reduces the fish eye effect.

* Arlo Smart includes cloud recordings of video clips for 30 days. Renewal of an Arlo Smart subscription is required to maintain Arlo Smart features, including cloud storage. Arlo Smart service not available in certain countries. See www.arlo.com/ArloSmart for details.

Arlo Ultra / Ultra 2 Spotlight Camera

4K UHD Wire-Free Security
