# The Mighty Mite™

## 2-way or 3-way Pendant Speaker with Built-In Bandpass Subwoofer

The Mighty Mite is a full-range solution for pendant speaker applications. There are two options available: the MM32-EZ, the 2-way version with a 3" full-range driver and 5.25" subwoofer, and the MM43-BGM, which boasts a coaxial 4" woofer and 3/4" tweeter along with the 5.25" subwoofer.

The patented dual-chamber bandpass design doesn't just save you installation time, it **also sounds better**: Since the low, mid, and high frequencies all originate from the same enclosure, everything is equidistant from the listening location, meaning all you hear is perfectly phase-matched full-range sound. A 30W, 70V/100V transformer with bypass for 8 ohm direct is included with each Mighty Mite.

- Full-range pendant speaker with built-in dual-chamber bandpass subwoofer
- Hanging hardware included
- Powder-coated seamless magnetic grille
- Three color options available: Black, White, or Silver

<b>Description</b>	2-Way (MM32-EZ) or 3-Way (MM43-BGM) Pendant Speaker with built-in 5.25" bandpass subwoofer
<b>Impedance</b>	8Ω
<b>Sensitivity dB @1W/1M</b>	84 dB
<b>Freq. Response (+/- 3 db)</b>	62Hz to 24,000Hz (MM43-BGM) 68Hz to 18,735Hz (MM32-EZ)
<b>Freq. Response (+/- 10 db)</b>	37Hz to 27,000Hz (MM43-BGM) 36Hz to 21,000Hz (MM32-EZ)
<b>Max Program Power</b>	60W RMS (MM43-BGM) 50W RMS (MM32-EZ)
<b>Max Continuous Power RMS</b>	30W RMS (MM43-BGM) 25W RMS (MM32-EZ)
<b>Max Power SPL @ 1M</b>	103dB SPL RMS and 116dB SPL Peak (MM43-BGM) 98dB SPL RMS and 112dB SPL Peak (MM32-EZ)
<b>Subwoofer</b>	5.25" Polycone with Rubber Surround
<b>Woofer/Midrange</b>	3" Polycone with Rubber Surround (MM32-EZ) 4" Polycone with Rubber Surround (MM43-BGM)
<b>Tweeter</b>	0.75" Silk/Synthetic Soft-Dome (MM43-BGM ONLY)
<b>Inputs</b>	Screw-down ceramic terminal
<b>Grille</b>	Powder-coated magnetic grille
<b>Colors</b>	Black, White, or Silver
<b>Height</b>	21.9"
<b>Diameter</b>	7.4"
<b>Shipping Weight</b>	13.15 lbs. (MM43-BGM) 12.75lbs (MM32-EZ)
