# Nest Doorbell
(wired, 2nd generation)

## Know more.
## No charging.

**With always-on power, the wired Nest Doorbell helps you know more about what's happening at your door.[1]**

Don't miss what matters to you.

Feel like you're home. Even when you're not.[1]

Everything works together.

Beautifully designed. Mindfully made.

1 Some features, including mobile notifications, remote control, video streaming and video recording, require working Internet and Wi-Fi.

Nest Pro

# Nest Doorbell (wired, 2nd gen)

With always-on power, support for 24/7 video recording, and an exclusive 3-year warranty with professional installation.[1,3]

## Smart alerts

**Intelligent alerts included.**

So smart, it can tell the difference between a person, package, animal, and vehicle.[1]

**Three hours of event video history free of charge.**

Customers can go back and see what happened – no subscription required.[2]

## Reliable video security

**Continuous video recording.**

With a Nest Aware Plus subscription (sold separately), people can record every second of every day for up to 10 days.[3]

**Always-on power.**

Hardwired for continuous power and faster detection.[3]

## Flexible controls

**Talk and Listen.**

Customers can chat with visitors through the built-in speaker and mic.[1]

**Better together.**

Customers can use Google Assistant or Amazon Alexa devices to stream video or announce visitors.[4,1]

## Thoughtful design

**Better for cold weather.**

With no Li-ion batteries, it can withstand temperatures below 32° F.

**Private and secure.**

Encrypted video and 2-Step Verification help protect your customers' privacy.
