Secondary Keypad

**1804-193**  
External Speaker

**1814-152**  
Trim Ring

**1814-165**  
Flush Kit  
Stainless Steel 2-piece

**1803-150**  
Surface Mount  
Trim Ring

## Heaters

> Small heater kits allow telephone entry systems to remain operating in cold environments

## External Speaker

> An external speaker can be added to any telephone entry system. Ideal for use in high noise areas

## CCTV Camera Kit

> CCTV camera can be added to most DKS telephone entry systems. (Additional CCV equipment and cabling required)

## Surface Kit / Trim Kits

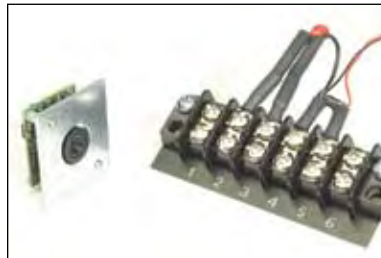

> Surface mount and flush mount trim kits simplify installations
