WEATHER RESISTANT 15" TOUCH

[TX3] Series
TOUCH ENTRY

TX3 15" WEATHER RESISTANT TOUCH

Engineered for the extreme elements.

Mircom's 15" Touch WR Voice Access System is re-designed to provide an intuitive user-experience both in indoors and outdoors.

- Fully customizable solution for occupant & visitor access control in condominiums, apartment buildings, office buildings, gated communities and industrial buildings

- Touch screen works under any weather condition – rain, snow and even when the user is wearing gloves

- 15" WR full color touch display provides ultra-wide viewing angles, sure to impress visitors and occupants alike

- 2 color options: Black and Silver

- Supports SIP to provide reliable two-way voice & one-way video communication and data transfer using an internet connection

- Supports MiEntry mobile application with Mircom SIP

- Variety of programming options available via built-in USB or Ethernet ports, to meet your specific site requirements

- Integrated advertising module offsets capital costs and generates recurring revenue for the property

- Provision for high definition IP camera
