Soundbar

PN-ZCMS1

- Full room coverage – with 120° field of view the 12MP built-in camera ensures everyone is seen in the room.

- Focus on the presenter – intelligent face detection and voice localization tracks whoever is speaking and smoothly switches between presenters.

- 100% compatibility and enhanced feature-set - in combination with Sharp BIG PAD L2B series.

- High quality sound – 6 array microphone picks up voice firmly and cancels echoes to ensure clear audio even in larger rooms.

- Quick meeting start-up - save up to two camera presets and switch between presets using the remote control.

- Easy installation – mount on top of BIG PAD L2B series or directly to the wall using the wall mount bracket.
