MINIMALIST. MODERN. SLIM.

Own your space with an ultra-thin and design-forward keyboard and mouse combo perfect for getting things done efficiently and quietly, even in the tightest desk spaces - now in rose and off-white. The slim profile and minimalist design transform your keyboard and mouse into a visual statement that elevates your desk setup. A slim profile and compact design make typing and mousing a pleasure. Low-profile keys give you that laptop-like typing experience you know and love. Whisper-quiet keys and a 90% noise-reduced mouse let you power through in near-silence. Long battery life and an easy plug-and-play 2.4GHz USB receiver ensure a reliable, hassle-free experience.
