# K380

Multi-Device *Bluetooth* Keyboard

## MINIMALIST. MODERN. VERSATILE.

The Logitech® K380 Multi-Device *Bluetooth*® keyboard makes any space minimalist, modern, and multi-device, letting you type on your smartphone, tablet and more.[1] Connect up to three *Bluetooth*-enabled devices simultaneously and switch instantly between them. The K380 Multi-Device is compact and lightweight. You can type on the device of your choice—anywhere. It automatically detects your device, maps keys, and provides a familiar typing experience with all your favorite shortcuts. So you can own your space on any device, anywhere. Two years of battery life virtually eliminates power concerns.[2] You may even forget the keyboard needs batteries.
