

# SINGLE-GANG CHIME

## THREE TONE

**ADI**  
**PRO**

0E-1GANGCHIM is a versatile three tone chime designed for flush mounting on a single-gang electrical box. Its three tones can be used in combination to create custom signals. DIP switches set the number of chimes per trigger to one, three or continuous with trigger present. Volume control is included.

## 0E-1GANGCHIM
