

ProBeam BF50RG Laser Projector

Ideal Step-Up Combination of Brightness and Performance

LG ProBeam projectors deliver high value, performance, and reliability

Step up your visual experience with the LG ProBeam BF50RG, delivering a dazzling 5000 lumens brightness and WUXGA resolution. Adapt effortlessly to varied settings with support for popular aspect ratios—16:9, 16:10, and 21:9 and versatility through features like 1.6x optical zoom, lens shift, multi-point image adjustment, built-in wireless, picture-in-picture, and picture-by-picture. The LG webOS-Signage 6.0 platform enables stability, responsiveness, and user-friendly content and device management.

- High-Definition Images with WUXGA resolution (1920 x 1200)
- Bright images with 5000 lumens brightness
- Virtually Maintenance-Free Operation with mercury-free laser light source
- Advanced Features and Solution Integration with sophisticated webOS-6.0 signage operating platform
