

Yale Pro[®] 2

Let Yale Get the Door[™] with a suite of keyless door locks designed to secure and simplify your life.

Whether you are looking for a keyed or key-free option, or a touchscreen or keypad version, Yale has a Yale Pro[®] 2 lock designed for you.

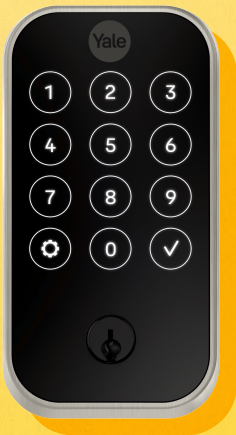

Enjoy peace of mind, protected by Yale Pro[®] 2 Locks with 180 years of security expertise built in.

Keypad Lock

Key-Free Keypad Lock

Touchscreen Lock

Key-Free Touchscreen Lock

Smart app programming

Use the Yale Access app, at the door, for simple programming and creating entry codes

No professional installation needed

Replaces your deadbolt on most standard doors using just a screwdriver

Unlock your way

Use the keypad, Yale Access app on your smartphone or Apple Watch at the door, or Auto-Unlock.

Upgrade when you're ready

Add a Wi-Fi Smart Module to your lock for away from home access and added smart home features

Trusted every day

Yale Pro[®] 2 Features

-  **Auto-Unlock**
Let us unlock the door for you when you get home, with optional Auto-Unlock
-  **Auto-Lock with DoorSense[®]**
Rest easy knowing your door is locked when you want it to be with optional Auto-Lock
-  **Share access**
Manage entry codes or virtual keys with people you trust
-  **Keypad access**
Easy for the whole family to use, create unique codes for everyone that needs access
-  **Works with most entry doors**
Compatible with standard US and Canada entryway doors
-  **Battery Back-Up**
Never lose power, key free models can be energized with a 9V battery
-  **Apple Watch[®]**
Leave your keys and phone behind, just use your Apple Watch to unlock the door
-  **Security you can trust**
Commercial Grade 2 certified and secured by advanced app features and encryption
-  **Optional settings**
Customize auto relock, privacy mode and tamper alarms within the lock settings

Add a Yale Smart Module

Upgrade any Yale Pro[®] 2 lock to work with your smart home or alarm system.* Just plug a Yale Smart Module into the slot above the lock's battery compartment.

Modules may be sold separately.

* Features may vary with smart home or alarm system.
