

Smart Delivery Box

There's a smarter way to get your packages delivered.

The Yale Smart Delivery Box allows you to receive packages and other deliveries without worrying about them getting damaged or stolen. Never miss a delivery when you're away from home and stay updated on when deliveries are made through real-time notifications.

Using the Yale Access App, lock/unlock, share access, view delivery history and receive notifications, from anywhere. Available with the Yale Smart Keypad for sharing access with others or unlocking when you don't have your phone. When you are home, easily lock or unlock the box by asking Amazon Alexa, Google Assistant or Siri.

Choose your style:

Kent

Brighton

Receive package deliveries from any carrier and real-time notifications when they are made.

Anytime deliveries

Never miss a delivery attempt when you're not home.

Contactless deliveries
