

The connected lock for a more secure Nest home.

Bundled with Nest Connect for remote access

Most locks are made for keys. This lock is made for people.

Key-Free Deadbolt

It's secure and tamper-proof. No lost keys. No picked locks.

Auto-Lock

It can lock automatically when Nest knows you're away.

Access From Anywhere*

Lock and unlock from anywhere using your Nest app.

Simple Installation

Replaces your existing deadbolt in minutes, with just a screwdriver.

One-Touch Locking

Tap anywhere on the keypad to lock the door behind you.

Low Battery Alerts

Get battery alerts in the Nest app so you know to replace them.

*Some features, including mobile alerts, remote control and custom schedules, require the Nest app, working Internet and Wi-Fi, and Nest Connect or Nest Guard. The Nest X Yale Lock can come packaged with Nest Connect for remote access.

Works with the Nest app.

Let your family in.

Set up family accounts so everyone can unlock the door with the Nest app.

Create passcodes.

Instead of keys, assign passcodes to people you trust in the Nest app.

Know who comes and goes.

Whenever someone locks and unlocks the door, the Nest app can send an alert.

Set visiting hours.

Make your dog walker or house cleaner's passcode work or expire at certain times.

Works with your Nest Secure alarm system.

When you unlock your door, you can disarm your Nest Secure alarm system automatically. Just set it up with the Nest app.
