

Yard Master Manual Tension Series

Manual Pull-Down Outdoor Projection Screen

Compatible with Ultra-Short, Short and Standard Throw Projectors

Product Description

The **Yard Master Manual Tension Series** is an outdoor manual pull-down screen that is IP65 rated for water protection for outdoor applications. The tab-tension design supports a front projection surface with perfect uniform flatness. This allows you to use either an ultra, short, or standard-throw projectors.

The CineWhite® material provides excellent brightness uniformity, color reproduction with superb image clarity which makes it a must for outdoor home or commercial video applications. It is ideal for nighttime movie presentations.
