

# Starling Tab-Tension 2 CineGrey 5D®

Motorized Ambient Light Rejecting Projection Screen

Compatible with Standard Throw Projectors ONLY

## Product Description

The **Starling Tab-Tension 2 CineGrey 5D® Series** is an electric motorized retractable projector screen that uses an Ambient Light Rejecting material. The retractable feature provides flexibility to mounting the screen without dedicating its designated location to exclusively one purpose. The ambient light rejecting material is formulated to sustain excellent color reproduction and contrast for enhanced picture quality in environments with little control over room lighting.

Models	Diagonal	Aspect Ratio	View Width	View Height	Material	Gain	Case Color	Top Border
