

6160V Custom Alpha Display Keypad with Voice

Talk about convenience!

The 6160V Custom Alpha Display Keypad with Voice actually speaks to you—providing audible security system status. The other benefits speak for themselves as well.

The keypad also features:

- A convenient Family Message Center that lets everyone record and playback voice memos for one another
- A large, bright 32-character display
- Comfortable, soft-touch keys labeled with simple commands and illuminated for easy nighttime visibility
- Four one-touch function keys that can be used to contact the police, fire department and other emergency response personnel
- A contoured removable door that lets you choose the look you want, with the four function keys remaining accessible
- A sleek, attractive white console that blends with any décor

These convenient, sophisticated features make security system operation easier than ever—and make this keypad a product worth talking about!
