WattBox Surge Protector with CoAx, Phone, and Ethernet Protection | 8 Outlets

With a 2100 Joule rating and 8 outlets, this WattBox power strip offers serious surge protection and noise filtration for smaller systems.

POWER ADAPTERS WELCOME

Ample space between outlets means all can be used simultaneously.

KEYHOLE MOUNTING

Mounting to a wall or cabinet is fast and easy, thanks to built-in keyholes and an included template.

COAX & TELEPHONE PROTECTION

Jacks for RJ11 or RJ45 connections are provided with complete protection on all 8 pins for telephone and Ethernet applications.
