

Tensioned Advantage Deluxe Electrol

Designed to eliminate the extra step of finishing the screen with trim, the Advantage line of projection screens is designed with ceiling trim already in place. Once the screen is installed, the screen's trim conceals the rough opening eliminating the need to complete additional trim work.

Sliding installation brackets make it easy to attach the screen housing to the structure above the drop ceiling.

Tensioned screens ensure the smoothest surface possible, and all Deluxe screens feature a closure door that hides the open space and screen in the ceiling, providing a cleaner aesthetic.

The Tensioned Advantage® Deluxe Electrol® screen features simple in ceiling installation that can be done in two stages. The screen case can be installed during the rough-in construction stage and the fabric assembly can be completed during the finishing stage.

Features

- All sizes standard with 12" of black drop except for Parallax which is standard with 2"
- Standard Low Voltage Control (LVC) to keep your screen operation flexible
- Smooth Roll Technology to keep your screen perfectly flat
- Slim-Tab, a lower profile and stronger tab design to keep your screen perfectly taut
- Support includes a comprehensive five-year warranty to keep you confident in your purchase
- Tensioning Cable System to prevent warping and ensure even lateral tension
- UL Plenum rated case
- White powder-coated closure doors and case for a clean aesthetic
- Available with SCB-100 (RS-232 serial control board) or Video Projector Interface (screen trigger) built into the case
- Decora-style, three-button wall switch
- Standard black backing retains projected brightness on front projection surfaces
- Seamless surfaces in all models

Optional Accessories:

- Radio Frequency Wireless Remote
- Infrared Wireless Remote
- Locking Switch Cover Plate

HD Progressive 1.1
Half Angle: 85° Gain: 1.1

HD Progressive 1.1 Perf
Half Angle: 85° Gain: 1.1

HD Progressive 1.1 Contrast
Half Angle: 60° Gain: 1.1

HD Progressive 1.1 Contrast Perf
Half Angle: 60° Gain: 1.1

HD Progressive 1.3
Half Angle: 75° Gain: 1.3

Da-Mat
Half Angle: 60° Gain: 1.0

High Contrast Da-Mat
Half Angle: 45° Gain: 0.8

Rear Projection

Dual Vision
Half Angle: 65° Gain: 0.9

Da-TeX
Half Angle: 30° Gain: 1.3

*NOTE: The Advantage Deluxe Electrol featuring Parallax will look visibly different when compared to other Da-Lite tensioned screens with vinyl surfaces. This is due to the nature of the Parallax material, which is a micro-layered, high-grade plastic lens system. While it may have slight variations in appearance, it is optically flat. Meaning, that when under projection, the Advantage Deluxe Electrol featuring Parallax will perform on the same level as the Da-Lite 4K-ready HD Progressive surfaces.
