

NEW SANUS ELEMENTS™ ANTI-TIP STRAP

MODEL ELM701

Make any room a safe environment with the new anti-tip strap

The new addition to the Sanus Elements™ Series, the ELM701 anti-tip strap, reduces the risk of TVs or furniture accidentally tipping, creating a safe environment in any room. The durable polypropylene strap securely connects in four places: twice to the back of the TV, once to the back of furniture and once to the wall. The strap's universal design works with TVs up to 60". Installation is easy with all the hardware necessary for TV, furniture and wall mounting included.
