

Smart Wi-Fi Light Switch, Dimmer

KS220

- Brightness Control
- Remote Control
- Scheduling
- No Hub Required

Highlights

Smart Dimming

After easily installing your switch according to the in-app guide, adjust your home's brightness freely using the Kasa Smart app, Apple Home app, built-in dimmer buttons, and simple voice commands via voice assistants.

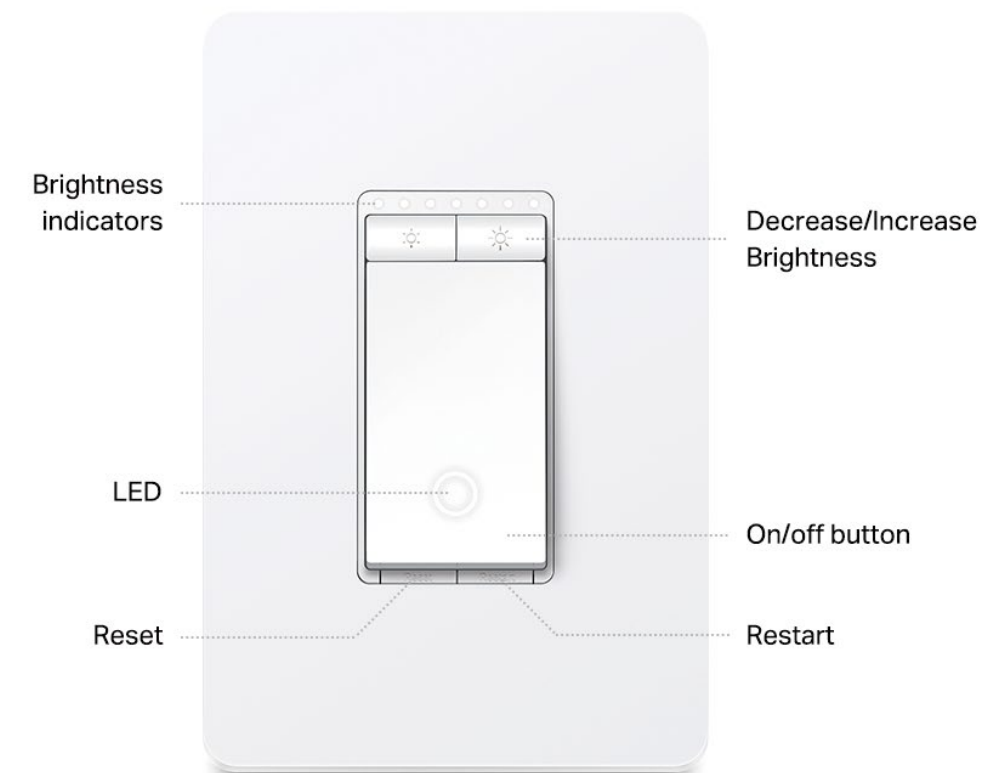

Phone not included;
Works with iOS and Android

Notes:

- Requires neutral wire connection.
- Works with dimmable LED and incandescent lighting.
- The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.
- To control this HomeKit-enabled accessory, the latest version of iOS or iPadOS is recommended

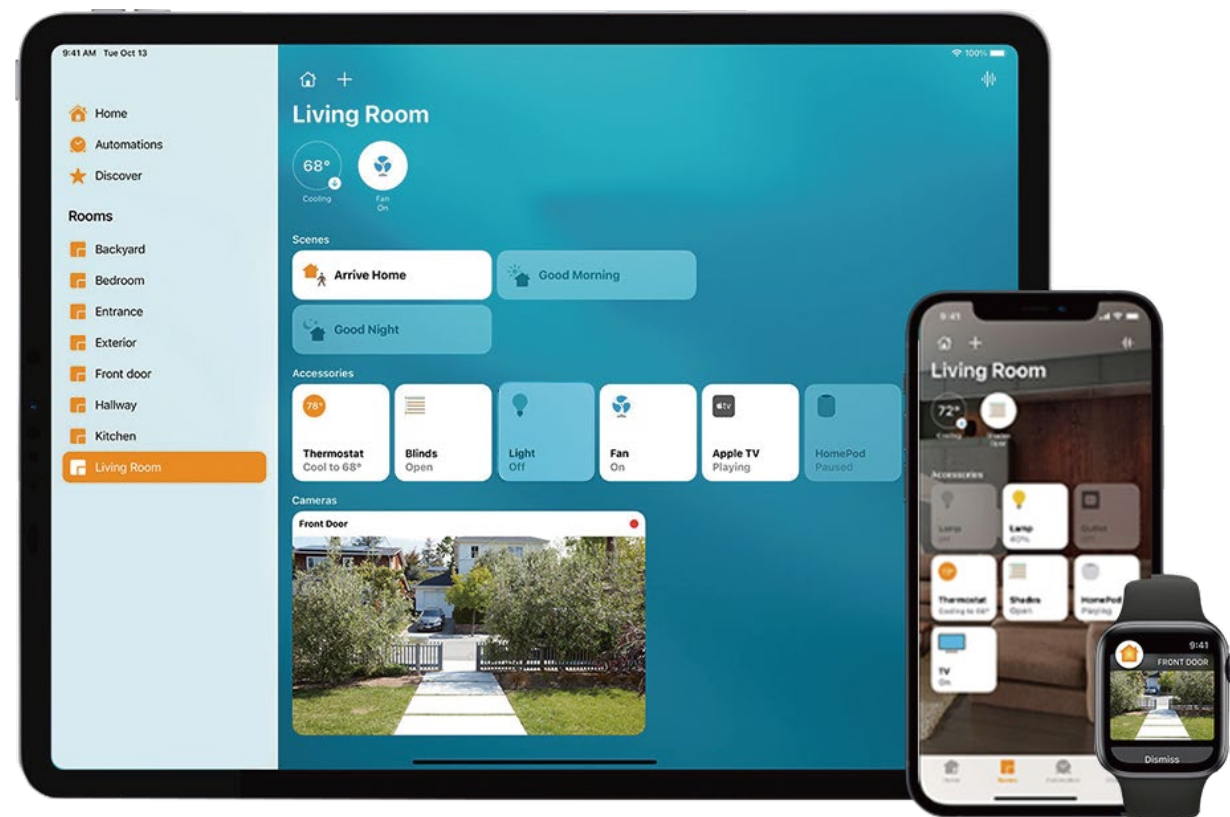

Intuitive Design

Smart Wi-Fi Dimmer is easy to use. A quick tap of the switch toggles lighting to the previous level. Built-in up & down dimmer buttons and brightness level indicator let you fine tune lighting to match your mood or activity.

Apple HomeKit Supported

Integrate your devices easily into your Apple ecosystem. Control connected devices with the Apple Home app and Siri on your iPhone, iPad, Apple Watch, HomePod, or Mac.

Hands-free Voice Control

Connect your Smart Wi-Fi Dimmer Switch with Siri®, Amazon Alexa, Google Home, or Samsung SmartThings, and adjust lighting levels hands-free using only your voice.

Features

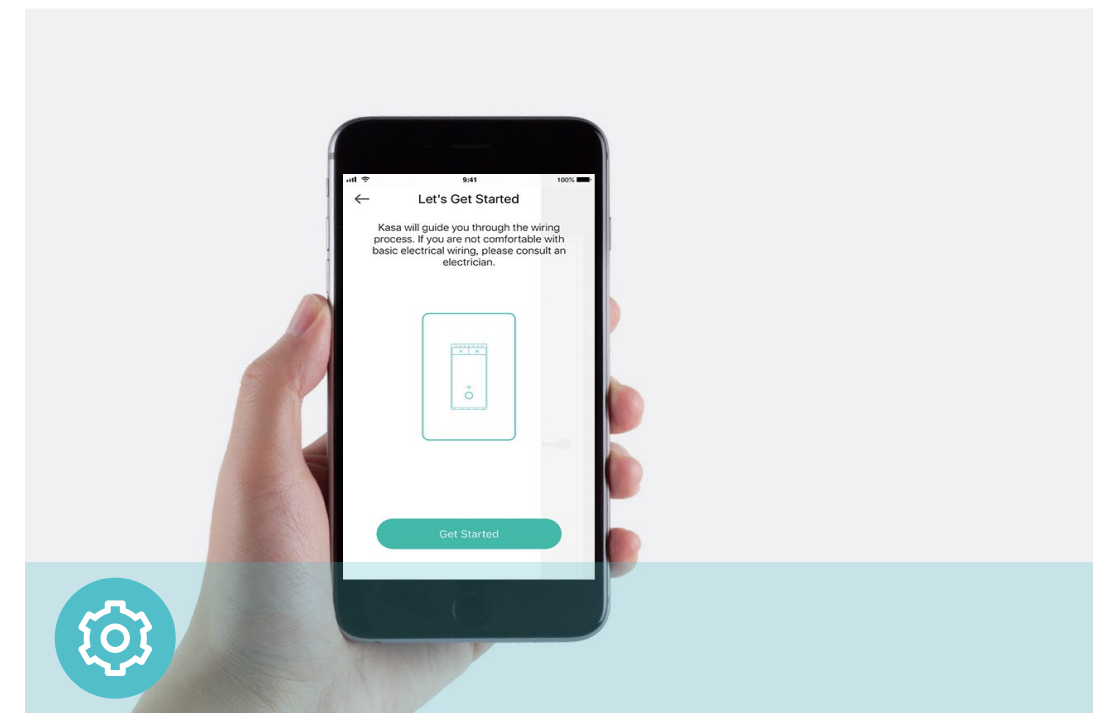

Dimming Control

- **Brightness Control** – Control the brightness of lights in any room and set the ambiance for any activity. Designed to dim today's energy efficient LEDs as well as traditional incandescent bulbs.
- **Fade On/Off** – Fade off the lights in your child's bedroom as they drift off to sleep, or allow yourself time to exit a room without bumping into something in the dark.

Smart Features

- **App Control** – Control your connected devices via the Kasa Smart app, or Apple Home app.
- **Scheduling** – Use Schedules to set your smart dimmer switch to automatically turn on and off while you're home or away.
- **Set Scenes** – Group your smart dimmer switch with other Kasa devices to turn them all on or off with one click or choose a custom preset with scenes.

Easy to Install

- **Upgrade your Light Switch** – Designed to easily replace traditional light switches (single-pole only).
- **Guided Installation** – Kasa Smart app provides step-by-step instructions for wiring your new Smart Wi-Fi Dimmer.
- **No Hub Required** – Easily connect directly to your secured home Wi-Fi network.
