Legrand®

ON-Q
Mounting Accessories

On-Q Mounting Accessories (AC1050, AC1060) are constructed from durable, Wi-Fi transparent ABS Plastic and are designed to securely mount a variety of 3rd party devices into the On-Q Plastic Structured Wiring Enclosures. The AC1050 includes (4) plungers and grommets along with velcro strapping for devices to be safely secured inside the enclosure. The AC1060 includes (2) sets of plunger/grommets to secure into enclosure and 2ft of hook & loop strap to strap in devices to extra support.

5" MOUNTING BRACKET
AC1050

Universal mounting pattern inspired by Middle Atlantic Products Lever Lock™ Series provides more strapping options to accommodate most small devices & facilitate cable management.

- Tool-free mounting in vertical or horizontal configurations
- Constructed of durable ABS Plastic
- Elevated design allows for dual-layer and unobstructed mounting of antenna devices
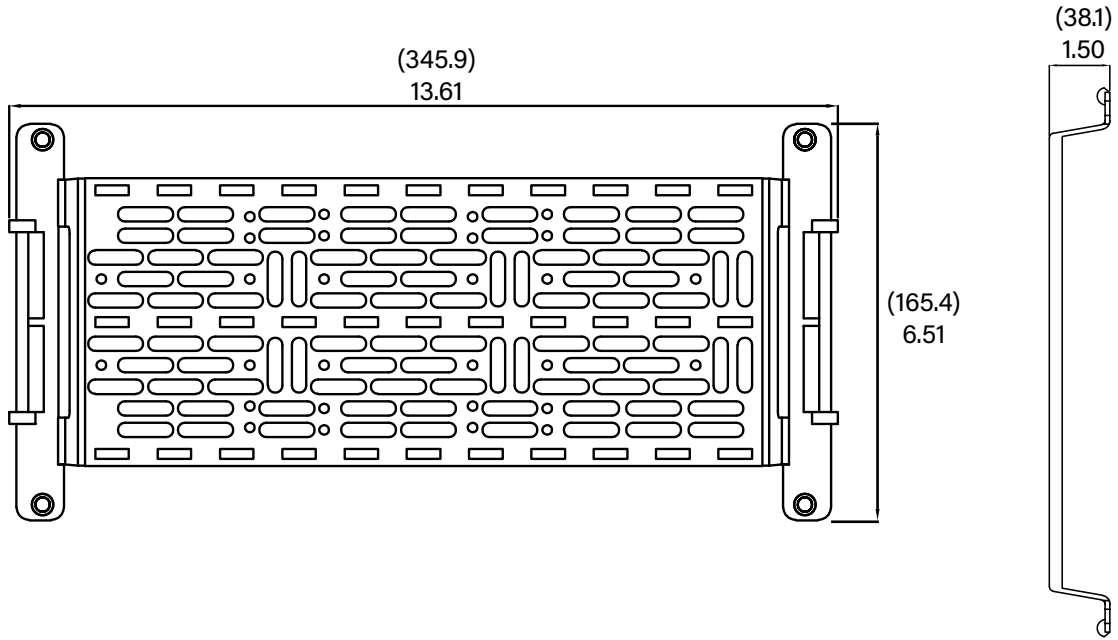

SHELF MOUNTING BRACKET
AC1060

Extend the mounting flexibility within Legrand Structured Wiring Enclosures with the AC1060 Shelf Mounting Bracket. The Shelf Mounting Bracket provides a vented stable surface to rest and secure 3rd party devices inside the enclosure.

- Perfect for heavy or tall devices that need sturdy support like ISPs, modem routers, connected hubs and more
- Users can install the shelf in standard or an inverted orientation (plastic enclosures only)
- WiFi Transparent Tool-Free installation
