Multipurpose use

Rechargeable

UL Rated 40-A:240-B:C

For use on the following types of fire:

Description

When high-hazard fires demand fast response, one-person operation and exceptional performance, the wheeled dry chemical extinguisher is your best choice.

Its long-range discharge gives control over ordinarily out-of-reach fires and allows the operator to keep a safe distance from the fire source and smoke.

Suitable for locations such as chemical and petroleum processing plants, construction sites and warehouses.
