

The Universal 4K HDMI Dongle Adapter Ring is the perfect addition to conference rooms, huddle spaces, lecture halls, or classrooms to make sure that anyone can connect. The standard configuration includes the adapters to connect nearly any device to the in-room display while supporting up to a 4K video resolution. This adapter ring includes HDMI to DisplayPort, Mini DisplayPort, or USB-C adapters to meet connectivity challenges.

Dongle Style Adapter

It can be awkward when connecting an adapter to a smaller laptop or tablet. The adapter may not line up correctly, causing the computer to shift or not set flat on the table. The dongle style adapter gives more flexibility, allowing for better placement when connecting to thin or lighter weight laptops.

Color Coded Adapters

Each adapter is color-coded with a band that saves time and frustration by making it easy to identify the adapter you need quickly.

Integrated Pull Tab

Quickly grab the adapters when you need them with the integrated Pull Tab that is also available to be customized to feature your company or organization logo. Minimum order quantities apply to customized Pull Tabs.

Universal Cable Mount

The universal cable mount attaches directly to the in-room HDMI display cable, ensuring that the adapters are always within reach. The adapter ring slides to the HDMI connector when needed and out of the way when not in use, reducing strain on the HDMI cable and clutter on the tabletop. The optional stopper fits on HDMI cables from 5mm to 10mm in diameter and prevents the adapters from sliding too far down the cable.

Tools Included

The tools for mounting the adapters and optional stopper are in the box to simplify the installation process. The innovative HDMI Cable Gauge Tool reduces stopper installation time by allowing the right-sized stopper insert, allowing for quick identification of the HDMI cable.

Features & Benefits

- Adapters support up to a 4K video resolution, so meeting attendees will be able to see the displayed content for improved comprehension and detailed decision making
- Adapters are color coded, so no more frustration trying to find the adapter that you typically use for your laptop
- Installation tools are included, so you save time and money by not needing to purchase any additional tools
- Dongle style adapter, allowing for more flexibility when connecting to a laptop or tablet
- Integrated pull tab, so the adapters can be accessed quickly or easily reached when they are tucked away
- Backed by a Lifetime Warranty for peace of mind

Patent Number US 11,444,419 B2

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120300281	Country Of Origin	China
Features	Color-Coded	Application Sector	Residential, Commercial
Type	Adapter, Adapter Ring		

Additional Information

Prop 65 Warning Required Yes

Prop 65 Warning Language Cancer and Reproductive Harm

Technical Information

Jacket Material PVC (Polyvinyl Chloride)

Video Resolution 4K 60Hz, 4K 30Hz, 4K, 1080p

Adapter Rear Mini DisplayPort Male, DisplayPort Male, USB-C Male

Adapter Front HDMI Female, HDMI Female, HDMI Female

Operating Temperature 0 C, 40 C

Storage Temperature -10 C, 60 C
