

Ideal for attaching cable boxes, VCRs, MSN® TV or any video source with f-type output connections to any TV with matching f-type input jacks. This cost-effective high-performance cable delivers maximum video quality in a super-thin design that neatly hides between the carpet and baseboard. Low loss 75 Ohm pure copper center conductor wire and foam dielectric ensure optimum picture resolution and color.

A braid shield provides a clear, noise-free, vivid picture while protecting against unwanted noise and interference. The fully-molded connectors attach to an ultra-flexible PVC jacket, provide excellent strain relief, and enable easy installation. Corrosion-resistant, precision-made, 24K gold-plated heavy duty connectors ensure long-lasting, high-performance connections.

## Features & Benefits

Thin design	75pure copper conductor
Flexible PVC jacket	24K gold plated connectors

## Specifications

### General Info

Product Line	C2G	Color	Blue
UPC Number	757120272281	Country Of Origin	Vietnam
Application Sector	Residential, Commercial	Type	Cable

### Dimensions

Cable Length	12 ft
--------------	-------

### Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

### Technical Information

Jacket Material	Flexible PVC	Wire Gauge	26 AWG
-----------------	--------------	------------	--------

---

Cable Type	Video	Jacket Rating	Standard / Non-Rated
------------	-------	---------------	----------------------

---

Adapter Rear	F-Type Male	Adapter Front	F-Type Male
