

The HDMI to DisplayPort Adapter Converter is the perfect solution for connecting devices with an HDMI output to a display with a DisplayPort input. The HDMI to DisplayPort Converter provides functionality that is not supported by other adapters that are designed to connect the DisplayPort output of a device and to a display which accepts an HDMI input. This Converter extends the life of a device, such as a Blu-ray player, which does not support a DisplayPort output by allowing it to be connected to a new display which accepts a DisplayPort input. The HDMI to DisplayPort Converter supports an output resolution of 1920x1200 and supports HDCP.

Note: This HDMI to DisplayPort Adapter Converter is designed to output a 1920x1200 resolution. The connected monitor must support a 1920x1200 resolution for video to be displayed.

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120541790	Country Of Origin	China
Application Sector	Residential, Commercial	Type	Adapter, Converter

Listing Agencies / 3rd Party Agencies

CE	Yes
----	-----
