

**C2G**  
**3ft (0.9m) Velocity™ Mini-Coax F-Type Cable**  
Part No. CG-27226

Ideal for attaching cable boxes, VCRs, MSN® TV or any video source with f-type output connections to any TV with matching f-type input jacks. This cost-effective high-performance cable delivers maximum video quality in a super-thin design that neatly hides between the carpet and baseboard. Low loss 75 Ohm pure copper center conductor wire and foam dielectric ensure optimum picture resolution and color.

A braid shield provides a clear, noise-free, vivid picture while protecting against unwanted noise and interference. The fully-molded connectors attach to an ultra-flexible PVC jacket, provide excellent strain relief, and enable easy installation. Corrosion-resistant, precision-made, 24K gold-plated heavy duty connectors ensure long-lasting, high-performance connections.

## Features & Benefits

|                     |                            |
|---------------------|----------------------------|
| Thin design         | 75pure copper conductor    |
| Flexible PVC jacket | 24K gold plated connectors |

## Specifications

### General Info
