

LGX Cassette LC/MPO, 24F, OM2, 50/125

Package Includes:

A. LC-Quad MPO Cassette, 1 Piece

B. Dust Caps, 26 Piece

Features and Benefits

- High Quality 16GA CRS material allows for compact and durable cassettes.
- 24-Fiber, OM2, Multimode, 50/125
- 24 LC port to 2 MPO port
- Cassette offers a plug and play solution which saves assembly and termination time.
- MPO connector reduces insertion loss which enhances channel link performance.
- MPO ports are equipped with Male MPO connectors to work with standard MPO female cable assembly.
- Suitable for any applications with a need for higher bandwidth with longer distances.
- Wiring is 1:1
- Compatible with all LGX® Fiber Enclosures and Patch Panel
