

**C2G**  
**35ft (10.7m) Cat6 Snagless Shielded (STP) Ethernet Network Patch Cable - Blue**  
Part No. CG-00807

Protect a high speed network from noise and electromagnetic interference when connecting with our Snagless Shielded Cat6 patch cable. For voice/data/video distribution, this cable will handle bandwidth-intensive applications and drastically reduces both impedance and structural return loss (SRL). Each patch cable is fully tested to meet ANSI/TIA 568 C.2 Cat6 component requirements. Each of the individual pairs is bonded together to help maintain the twist-spacing throughout the line right up to the termination point. Constructed from high quality cable and plugs, this design minimizes Near-End Crosstalk (NEXT) levels. Available in a variety of colors to easily color-code a network installation. Individual length label on each cable for ease of use.

## Features & Benefits

Designed for network adapters, hubs, switches, routers, HDBaseT applications and more

Supports 10 Gigabit networks up to 180ft for fast data transmission and maximum performance and supports 1 Gigabit up to 328ft

Meets the ANSI/TIA-568-C.2 Cat6 requirements for supporting a wide variety of applications

Constructed with shielded twisted pair (STP) wires, designed to protect a high speed network from noise and electromagnetic interference

Snagless connector design for high density environments and protecting the RJ-45 connector's lock

Available in a variety of colors to color-code a network

## Specifications

### General Info

Product Line	C2G	Color	Blue
UPC Number	757120008071	Country Of Origin	Vietnam
Features	PoE (Power Over Ethernet)	Application Sector	Residential, Commercial, Industrial
Type	Cable		

### Dimensions

Cable Length	35 ft
--------------	-------

### Additional Information

---

Prop 65 Warning Required    Yes

Prop 65 Warning Language    Cancer and  
Reproductive Harm

---

### Technical Information

---

Jacket Material                      PVC (Polyvinyl Chloride)                      Wire Gauge                      26 AWG

---

Cable Type                      Ethernet Patch Cable, Booted,  
Snagless, Shielded (STP)                      Jacket Rating                      Standard / Non-Rated

---

Adapter Rear                      RJ-45 Male                      Adapter Front                      RJ-45 Male

---
