

Ideal for attaching cable boxes, VCRs, MSN® TV or any video source with f-type output connections to any TV with matching f-type input jacks. This cost-effective high-performance cable delivers maximum video quality in a super-thin design that neatly hides between the carpet and baseboard. Low loss 75 Ohm pure copper center conductor wire and foam dielectric ensure optimum picture resolution and color.

A braid shield provides a clear, noise-free, vivid picture while protecting against unwanted noise and interference. The fully-molded connectors attach to an ultra-flexible PVC jacket, provide excellent strain relief, and enable easy installation. Corrosion-resistant, precision-made, 24K gold-plated heavy duty connectors ensure long-lasting, high-performance connections.

Features & Benefits

Thin design	75pure copper conductor
Flexible PVC jacket	24K gold plated connectors

Specifications

General Info

Product Line	C2G	Color	Blue
UPC Number	757120272274	Country Of Origin	Vietnam
Application Sector	Residential, Commercial	Type	Cable

Dimensions

Cable Length	6 ft
--------------	------

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
