

# TeraStation™ - Secure & Affordable Storage

MADE IN JAPAN

Feature
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

TeraStation 3020
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

TeraStation WS IoT
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

TeraStation 5020
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

TeraStation 51220RH
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

TeraStation 71210RH
Capacity
Hard Drive Type
Fully & Partially Populated HDDs
Optional Network Expansion
Upgradable Memory
Optional NVMe m.2 Caching
Operating System
Redundant Power & Fan
Encryption
Remote Management Service
Warranty Included

\*Bitlocker included
