

# OUTDOOR SIREN/STROBE

## HIGH POWER, SELF-CONTAINED

**ADI**  
**PRO**

The 0E-OUTDSIRSx series models are high output, self-contained siren/strobes for indoor and outdoor alarm system applications. They combine a loud, 120dB warble tone siren with a high intensity, long-life LED strobe that is synchronized with the siren. They feature vandal and weather resistant polycarbonate housing, with a sturdy aluminum backplate and tamper switch.

A siren-only model is also available (0E-OUTDSIREN).

## FEATURES

Indoor/outdoor alarm system applications

Warble tone siren

High output 120dB (1W/1M)

High intensity strobe in one of four colors

Tamper switch protected

Solid aluminum backplate

Vandal and weather resistant

Mounts directly to wall or to 4" electrical box
