

Video Surveillance Power Supplies

Assortment Summary

DEPENDABLE POWER SUPPLIES FOR VIDEO SURVEILLANCE

UltraTech video surveillance power supplies deliver reliable power for video surveillance systems. All models provide overcurrent protection, and options are available for adjustable output voltage, SLA battery backup and 4K/8MP applications.

| PRODUCT | PART # | DESCRIPTION |
|-------------------------------------|--------------|---|
| 4K/8MP Power Supplies | 0E-1213A4K8 | 8-channel, 13 Amp, 12 VDC (11-14 VDC adjustable), noise-free design, Class 2 PTC fuses, 6kV surge protection, wall mountable |
| | 0E-1220A4K16 | 16-channel, 20 Amp, 12 VDC (11-14 VDC adjustable), noise-free design, Class 2 PTC fuses, 6kV surge protection, wall mountable |
| Power Supplies | 0E-4CPW5A60W | 4-channel, 5 Amp, 12 VDC (12-13.8 VDC adjustable), overcurrent protection, compact |
| | 0E-1205AD4 | 4-channel, 5 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable |
| | 0E-1275AD9 | 9-channel, 7.5 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable |
| | 0E-1210AD18 | 18-channel, 10 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable |
| | 0E-1220AD18 | 18-channel, 20 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable |
| Power Supply with Battery Backup | 0E-1230AD18 | 18-channel, 30 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable |
| | 0E-122017SLA | 17-channel, 20 Amp, 12 VDC (12-13.8 VDC adjustable), Class 2 PTC fuses, overcurrent protection, supports 17Ah battery, wall mountable |
