

New Product Introduction

4K/8MP video surveillance power supplies

Applications:

UltraTech's innovative 4K/8MP power supplies feature a noise-free design and adjustable output voltage for optimal resolution in video surveillance applications.

Features:

- Advanced noise-free design
- Individually adjustable voltage knobs (11-14 VDC)
- Class 2 PTC output protection
- 6kV surge protection for AC input

Power Supply Portfolio:

Part Number	Description
4K/8MP CCTV Power Supplies	
0E-1213A4K8 NEW	8-channel, 13 Amp, 12 VDC (11-14 VDC adjustable), noise-free design, Class 2 PTC fuses, 6kV surge protection, wall mountable
0E-1220A4K16 NEW	16-channel, 20 Amp, 12 VDC (11-14 VDC adjustable), noise-free design, Class 2 PTC fuses, 6kV surge protection, wall mountable
CCTV Power Supplies	
0E-4CPW5A60W	4-channel, 5 Amp, 12 VDC (12-13.8 VDC adjustable), overcurrent protection, compact
0E-1205AD4	4-channel, 5 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable
0E-1275AD9	9-channel, 7.5 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable
0E-1210AD18	18-channel, 10 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable
0E-1220AD18	18-channel, 20 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable
0E-1230AD18	18-channel, 30 Amp, 12 VDC, Class 2 PTC fuses, overcurrent protection, wall mountable
CCTV Power Supply with Battery Backup	
0E-122017SLA	17-channel, 20 Amp, 12 VDC (12-13.8 VDC adjustable), Class 2 PTC fuses, overcurrent protection, supports 17Ah battery, wall mountable
