

# MAGNETIC DOOR HOLDER EXTENSION BARS 3" & 7"

**ADI  
PRO**

ADI PRO Magnetic Door Holder Extension Bars help to create a secure and effective magnetic alignment regardless of the distance between the armature plate and door holder. The 3" and 7" extension bars can be easily affixed to the armature of a magnetic door holder (such as 0E-MAGDRHLDR) to increase the size of the armature, accommodating a wide variety of door designs and wall distances.

(Shown with Mounting & Armature Plates)

## FEATURES

**3" and 7" extension bars for adapting to different door designs and wall distances**

**Easy armature extension and secure alignment for varied gap sizes**

**Built with high-quality materials to withstand daily usage and provide long-lasting functionality**

## Product Specifications
