

SOHO Pro™ Environmentally Friendly Options Save Time and Money

Primex announces improvements to product packaging options for SOHO Pro™ enclosures including the PR1500, P2100, P3000, and P4200. With these new options customers save on freight and storage charges, onsite labor costs, and onsite waste.

Our streamlined product offering includes:

- Options for multi-pack and bulk pallet shipping
- Improved bulk quantities for the P3000
- Better matching of separate lids and bases to eliminate inefficiencies

Examples:

Multi-Pack: 4x or 5x SOHO Pro™ base or lids (same SKU) in a single box.

*eg. P3000B-B5 = 5x P3000 bases per box.

Bulk Pallet: 40x or 60x SOHO Pro™ base or lids (same SKU) on a single pallet.

*eg. P3000B-B40 = 40x P3000 bases per pallet.
