

Sunnata Touch Family

Next generation design and technology

LED+ dimmer and
PRO LED+ dimmer

Switch

Fan control

Next generation design and technology

- Touch or swipe light bar to adjust your lights or fan speed
- Intuitive design matches paddle switches
- Soft glow helps you find control in the dark
- myLevel programming makes it simple to adjust low-end trim, preset levels, or lightbar brightness

Tap once to go to preset level; tap again for full brightness

Touch or swipe the light bar to turn on the lights and adjust the brightness

Tap for off; hold for 1s to activate a 30s delayed fade-to-off

Sunnata dimmer
